

Vultus Templorum

New Website Sign-In Guide

Use this guide to activate your account, reset your password, and sign in on desktop or mobile.

t.vultustemplorum.org

Important: use the same email address that is on ancient-forums.com.

Desktop/browser: select Sign in. **Mobile app:** Element Classic opens your phone browser to complete first-time sign-in.

Desktop or Phone Browser Sign-In

Go to t.vultustemplorum.org. You will see the Vultus Templorum welcome screen with Sign in and Create Account buttons.

1 Open the website

In your browser, enter t.vultustemplorum.org.

2 Click Sign in

Select the blue **Sign in** button on the welcome screen.

3 Use your Ancient Forums email

Enter the same email address connected to your ancient-forums.com account.

4 Click Forgot password

For first-time access, click **Forgot password**. This sends you through the password reset process.

5 Change your password

Create a new password. Save it somewhere secure.

6 Return and log in

Go back to the sign-in page, enter your email and new password, then log in. You are in.

First-time user rule: same Ancient Forums email, then Forgot password, then create a new password, then log in.

What you should see

The welcome screen has the Vultus Templorum title and a blue Sign in button. Select that button to begin.

Mobile App Sign-In

On mobile, use **Element Classic**. The app may open your phone browser to complete the first-time sign-in process.

1 Install Element Classic

Install **Element Classic** from your phone app store if you do not already have it.

2 Open the Vultus Templorum link

Open the mobile link from the website or app prompt. Your phone browser may open for sign-in.

3 Tap Sign in

If the page says the desktop site does not work on mobile, use the **Sign in** button shown below the app download section.

4 Use the same email

Enter the same email used on **ancient-forums.com**.

5 First time only: Forgot password

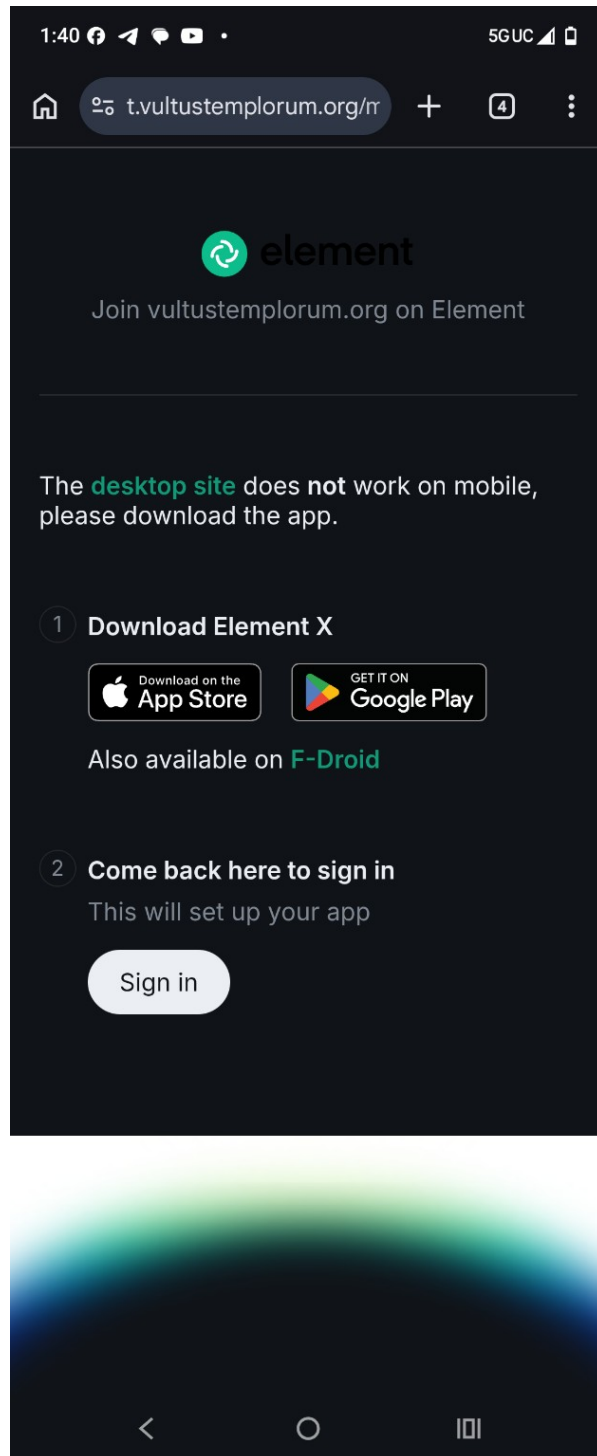

If this is your first time signing in, tap **Forgot password**, reset the password, then continue.

6 Log in with the new password

After the reset is complete, return to sign-in and log in with the new password.

Mobile screen reference

On mobile you may see this Element page. Follow the app instructions, then come back and press Sign in.

Quick Troubleshooting

Problem	What to do
I do not know my password.	Click Forgot password and reset it using your Ancient Forums email.
The mobile website says the desktop site does not work.	Install or open Element Classic , then return to the browser page and tap Sign in .
My email is rejected.	Check that you are using the exact email connected to ancient-forums.com . Watch for typos and extra spaces.
The reset email is not showing up.	Check spam, junk, promotions, and all inbox tabs. Wait a few minutes, then try Forgot password again.
The page opens in the wrong browser or app.	Copy and paste t.vultustemplorum.org directly into your browser, then sign in again.

Fast path: open t.vultustemplorum.org, click Sign in, use your Ancient Forums email, click Forgot password, change password, then log in.
