Example of affirmations can be:

3 x "These energies manifest, create and attract for me and in my complete possession, financial power and material success, in positive and healthy ways and modalities for me materially and spiritually."

Or

3x "These energies manifest, create and attract for me and in my complete possession, colossal sums of money, riches and monetary abundance in positive and healthy ways and modalities for me materially and spiritually."

May all those who are blessed with wealth, money and riches by this holy square to donate in good conscience back to the Temple of Zeus and sustain all practicing Zevists worldwide.

Enemies are cursed by the sight of this square with poorness and disease. - SG.A.I.
